(b) If the plaintiff has not filed an affidavit of non-compliance within 14 days of the date that the final payment under the agreement established under this paragraph is due, the court shall dismiss the action.

(c) The acceptance of any payment pursuant to such an agreement shall not establish a new tenancy.

(d) If payments are not made when due, as evidenced by an affidavit of non-compliance filed with the court by the plaintiff and served in hand or at the abode of the defendant before the affidavit is filed with the court, the court shall issue a writ of possession, within 5 business days of the filing of the affidavit with the court, and without further hearing or judicial review.

(e) (1) Notwithstanding the provisions of subparagraph (d), the court may hold a hearing to determine whether or not a writ of possession shall issue if the defendant files an objection or other pleading in court within 4 business days of the filing of the affidavit of non-compliance and certificate of service with the court, which alleges that:

(A) The defendant made a timely tender of the required payment; or

If the court determines that the defendant's allegations meet the requirements, a hearing shall be scheduled to occur within 4 business days of the filing of the defendant's objection or other pleading.

(f) (1) At any hearing under subparagraph (e)(2), the defendant shall have the burden to prove that:

(A) The defendant has made timely payments, and therefore the writ of possession shall not issue; or

(2) If the defendant fails to meet his or her burden of proof under subparagraph (1)(A) or (1)(B), the court shall issue the writ of possession.

(3) If the defendant meets his or her burden of proof under subparagraph (1)(B), the court shall order the defendant to tender, by cash or certified check, all past-due payments to the plaintiff immediately. If all past due-payments are tendered immediately by cash or certified check, a writ of possession shall not issue, otherwise a writ of possession shall issue.
