Once you select the Submit button, your document will be filed with the court and electronically served to all registered parties. You must mail a copy to all parties to the case who are not registered. In the Service Contacts section, you will be able to see an email address associated with each registered party's name. If there is no email address associated with an active party in the case, you must mail or hand-deliver a copy of the pleading.

After reviewing and accepting the filing, the court will act upon the pleading in the normal course of case processing.
