The screenshot shows a window titled "Service Contacts". At the top, a message states: "Only contacts checked below will be served electronically." Below this is a table with the following columns: "Serve", "Name", and "Email". The table contains four rows, each representing a party with an "Actions" dropdown menu to its right:

Step 14: Fill in the final three fields and select Save Changes. This field is usually your client, even if there are no fees due on this particular filing.

Once you select the Submit button, your document will be filed with the court and electronically served to all registered parties. You must mail a copy to all parties to the case who are not registered. In the Service Contacts section, you will be able to see an email address associated with each registered party's name. If there is no email address associated with an active party in the case, you must mail or hand-deliver a copy of the pleading.

After reviewing and accepting the filing, the court will act upon the pleading in the normal course of case processing.
