

How to File an Initial Name Change Case in TurboCourt

1. Go to the court's website at www.courts.state.nh.us. In the top right hand corner, click NH eCourt Electronic Services Go to e-Filing and other Electronic Services.
2. Under Circuit Court go to Self Represented Parties and other Non-Attorney Filers. Then, click "E-File/Resource/Case Access Information HERE". This brings you to the NHJB Electronic Services page with information and resources for all Circuit Court electronic case types.
3. Under E-File click E-File Here (File Into Your Case). This brings you to the TurboCourt site. If you have not already done so, you must sign up and choose a username and password.
4. Under Circuit Court select Name Change then select Name Change - Start a New Case. You are now at the screen where you must choose Jurisdiction and Location. It is important to select the correct answer from the drop down. If you are unsure which location to select, there are links on this page to assist you. Click the Next button.
5. At the Your Identifying Documentation screen, select the type(s) of document(s) you would like to attach. Please note: You are required to submit a copy of personal identifying document(s) showing your current name and current address with this petition such as a driver's license or non-driver's ID, a passport (if submitted with proof of address) or another form of identification. These documents will be confidential to non-parties. An attachment placeholder will be available at the end of the program.
6. Review the information on the screen. Continue to follow the prompts, answer each question and click the Next button.

Clicking the Next button automatically saves the data to your TurboCourt account. You must click Next after each question asked.

Because this is an initial filing, you will be asked to provide your current legal name along with your requested new name. It also asks for an email address. You will be receiving all correspondence from the other parties in the case and from the courts via your email address.

7. This brings you to your payment options. If you select the box for the Court to consider waiving the filing fee, the TurboCourt program will either generate the financial forms or ask you to attach them based on your response.
8. After completing all the information, you must review the information and select the box for Petitioner's Verification. Then you arrive at the Review and Prepare Your Documents screen. Your completed forms will have a green check mark on them and are ready to be filed. The forms with a red exclamation mark are forms that are required or that you said you intended to file and must be attached at this time. If the forms are not attached, the program will not allow you to proceed.
