**Legal Background**-- I served as an Associate Justice of the New Hampshire Superior Court from 2001 into 2013. From 1974 into 2001, I practiced law in New Hampshire and elsewhere. I presently practice law, write, teach and perform ADR services. My full resume may be found at my website referenced above.

**Mediation/Arbitration Experience**--Before I became a judge in 2001, I participated as an attorney in many mediations and arbitrations. These covered a broad range of matters. I also served as an arbitrator in several cases. During my years as a judge, I mediated many disputes with the parties' consent. My efforts mostly succeeded. I was designated a New Hampshire Superior Court Rule 170-B mediator. I also served on the NH Marital Mediation Board and the NH Superior Court-Family Division Marital Mediation Committee. I presently offer ADR assistance through John M. Lewis ADR Services. For more information about my ADR background and my rates for paid ADR, please consult my website.
