**Court News: Small Claims e-Court Rolls Out Statewide**

After launching the state's new electronic court system July 30 for use on a pilot basis in small claims cases filed in Plymouth and Concord Circuit Courts, the court recently announced the schedule for rolling out the small claims pilot in other locations.

The following dates show when the system is scheduled to "go live" in particular courts. The court cautions, however, that unanticipated issues may create the need to adjust the dates and order of when a district division goes live. The Judicial Branch website will have information regarding any changes.

All small claims cases must be filed electronically in each jurisdiction as of the "go live" date.
