**Subject:** Comment on Proposed Amendment to Rule 8.4

Dear Advisory Committee on Rules,

I write to join the others who have expressed their concerns about the proposed amendment to Rule of Professional Conduct 8.4. While I agree with the goal of reducing discrimination and harassment, I am concerned that this proposal is too broadly drafted to have the desired effect. I am concerned that the broad scope of the rule will lead to unintended consequences and will discourage vigorous advocacy on important social topics.

Thanks

Tim
