Judge Schulman asked me to submit the following proposal for consideration by the Advisory Committee:

**Proposed Rule of Civil Procedure 55: Appeal from Municipal Actions**

In all appeals to the superior court from the action of a state or municipal government body, including but not limited to appeals from the decision of a planning board, zoning board of adjustment, local land use commission, or any other local legislative body, no party may submit an audio or video recording of the proceedings below unless that recording is also accompanied by a transcript of the proceedings.
