Services Other Than Counsel, RSA 604-A:6

Counsel appointed to represent a defendant in a criminal case or a juvenile in a delinquency case and indigent self-represented defendants charged with class A misdemeanors are authorized to obtain the following services when deemed necessary, without prior authorization but subject to subsequent review, providing the cost of services obtained does not exceed the compensation maximum, per occurrence, which is currently set at \$500:

- Investigative services
- Translation services
- Stenographic services for depositions
- Transcription services, excluding expedited requests
- LDAC or SUD evaluation

The Administrative Judge finds that indigent defendants and juveniles are unable to obtain these services, and such services are necessary to an adequate defense.

This order is effective on this date and shall remain in effect until rescinded or modified.
